## March 2018 Updates

- The MCIRT team has grown. With the increase in funding, we were able to add two Case Managers and one Mental Health Counselor to the team.
- With this additional capacity and input from the Pierce County Human Services staff and the MCIRT Steering Committee, we are softening our boundaries to take meet more of the county need.
- We have continued to grow our community partnerships, including linkages with Adult Protective Services, Aging and Disability Resource Services (ADRC), Aging and Disability Resources (ADR), Humane Society, Animal Control, and Animal Rescue Groups. We have meetings set up with Molina and Community Health Care in April.
