Spring is finally here! In April we are hoping to give back to the community by volunteering at the Senior Center. We also will be having a Spring clean up day where our teens will be going around the town and picking up garbage and cleaning up graffiti. Here at the haven we believe in teaching our teens responsibility, so this month we will focus on teaching the teens to cook for themselves, and helping others. Also, this month we have our parenting classes going on from April 11th- May 9th. As Always thank you for supporting The Haven Teen Center!
