Impact Report

When Mei-Yun Loya moved from Texas to Tacoma, it was hard on her.

Then she found Safe Streets. Mei-Yun credits Safe Streets' Youth Leading Change program with helping her come out of her shell.

Now she's getting a full-ride to PLU through the prestigious Act 6 scholarship.

***This is Safe Streets.

"Safe Streets offer amazing learning opportunities. But they also offer a safe place for students to grow and be themselves."

— Mei-Yun Loya
