Council Amendment No. 1
Proposal No. R2019-2
Green

January 15, 2019

To: Councilmembers
From: Councilmember Connie Ladenburg
Hearing Date: January 15, 2019
Subject: Proposal No. R2019-2 – Western State Hospital Task Force State Legislative Priorities

I recommend the following amendment to Proposal No. R2019-2, Exhibit A:

On Page 2 of 5, Exhibit A to Proposal No. R2019-2, line 5 after the word “return.” Insert a new sentence to read as follows:

“Any additional facilities need to be dispersed throughout the State, and differentiate between civil patients and those that become civil patients though the “criminal flip” process.”
